### GOLF.

## ALL THREE CLUBS ARE GOING STRONG

HONOLULU CLUB HAS  
ARRANGED PROGRAM

Country Club And Haleiwa Links  
Busy All the Time—Some Inter-  
esting Matches to Be Played Off.

Golf is on the boom both at the Country Club and the Moanalua Links. The Honolulu Golf Club, which uses Squire Damon's beautiful grounds, has arranged a fine program of events which will last from now on to the end of the year.

On Sunday next there will be a medal play, and a start will be made at half-past ten o'clock sharp. All the members are looking forward to the play, and arrangements have been made to have a big automobile at the end of the car line at 9:30 o'clock. The machine will take the players and their friends down to the links, and will return at half-past four in the afternoon. The fare will be fifty cents for the round trip, and that is moderate enough for anybody.

The members of the Honolulu club are anxious to see as many of the Waialua players as possible present on Sunday next. A cordial invitation has been extended to the down-country people and the wish expressed that as many as can turn up and take part in the play.

The Country Club is also going strong, and every Sunday a large number of players are at the pretty clubhouse, where a really enjoyable time can be had by everybody. The links are in excellent condition, and the professional is doing some fine work on the courses. The club property has been improved wonderfully during the past year, and everything is a credit to the managing committee.

Down at Haleiwa, Clifford Kimball is doing a lot to make golf the favorite game of the district, and nearly every day there are some golfers out on the links. The regular guests go in for the game a lot, and then on Sundays the auto parties from town always contain some enthusiastic golfers who quickly find their way to the grounds.

The Haleiwa links are fit to play on all the time, as the soil is of a sandy nature, which quickly absorbs any rain that may fall. No amount of rain seems able to stop play at Haleiwa, and the players are fortunate in that respect.

The Honolulu Golf Club is out with a program which is as follows: May 8—Medal play; 10:30 a. m. May 31—Match play tournament. Entries close at E. O. Hall & Son's. June 19—Foursome; 10 a. m. July 17—Medal play; 10 a. m. August 28—Foursome; 10 a. m. October 23—Four-ball foursome; 10 a. m. December 11—Championship (medal play); 10:30 a. m.

The entrance fee for each competition is fifty cents, and players must

be present at the Moanalua clubhouse at the above-mentioned hours.

OMAHA, Apr. 23.—Jack Johnson,

at a banquet tendered him last night by negroes, discussed his coming fight with Jeffries. He is quoted to-day as saying:

"Of my fight with Burns I can truthfully say that I never before entered the ring with a heart so full of malice. Mr. Burns had said many unkind things about me, and in the ring that day I remembered them all. Every time I forced him to his corner I would ask him if he remembered when he had made some certain statement, and I followed it up with one of my best blows."

"Mr. Jeffries, too, has said many harsh things about me in return for the courtesy I have always tried to show him. But I shall remember them all upon the day of the battle. I shall ask Mr. Jeffries in the ring if he recollects certain of the things he has said, and for each recollection he shall make atonement."

### TENNIS.

## SOME GOOD TENNIS IN WALL CUP PLAY

MRS. COULTER DEFEATS  
W. A. WALL IN MATCH

Atherton Richards and Castle Have  
Long Set—Many Good Matches  
for Today.

Yesterday afternoon on the Beretania courts, the Wall Cup tournament was continued, and four matches finished off. Two of these went by default, as the men who were scheduled to play could not manage to get off from work in time to take part in the games. Noel Deerr was awarded his match owing to Macaulay not showing up. Booth won in the same manner, as his opponent, Warren, could not manage to put in an appearance through being too busy.

The unfinished match between Mrs. Coulter and W. A. Wall was continued, and brought to a conclusion by the lady champion winning the third set, 7-5. Mrs. Coulter played much better tennis yesterday than she did on Wednesday, and some of her strokes were excellent. The full result of the match was 6-4, 6-8, 7-5. The lady won 19 games, and her opponent 17, so there was not much difference between the players.

Then the unfinished match between Atherton Richards and K. S. Barnes was started up. Richards had taken the first set on Wednesday, 6-2, and he had two games to love in the second set when darkness stopped the play. Yesterday Richards, playing in fine form, defeated Barnes by a score of 6-4 in the second set, and took the match.

The way was then clear for the second round of the tournament, and a start was made on it. Atherton Richards and A. L. Castle were the first contestants, and a slashing go it was, too, from start to finish. Richards kept Castle guessing, and time after time he made winning shots that were worthy of a much older player than he is.

The set ran to a vantage one, and five-all, six-all and seven-all were called before Castle could capture two games in succession and take the set, 2-7. It was a fine, exciting exhibition of tennis, and the set seemed anybody's right up to the finish.

Darkness set in at the close of the first set, and no further play could be brought off. Richards and Castle will finish their match this afternoon, and a start will be made at half-past four o'clock. The other matches to be played today are as follows: At 4:30 o'clock, Captain Low vs. Noel Deerr; at 5 o'clock, R. B. Booth vs. Mrs. Coulter, and T. Richards vs. H. S. Gray. All four matches should be well worth seeing, and no doubt a big crowd will line up around the courts this afternoon to watch the play.

## TWO GOOD BASEBALL GAMES ON SUNDAY

Portuguese Will Try New Pitcher  
and Change Team a Little—  
Athletic Park Should Attract  
Big Crowd.

On Sunday afternoon the second games of the Oahu league will be played at the Athletic Park, and two fine exhibitions of baseball are expected. The general impression seems to be that as soon as the teams get settled down to work properly there will be many exciting games. The J. A. Cs. are thought to be too strong for the other three teams, but there is no telling what may happen during a long season of baseball.

The first game on Sunday will be between the Marines and Japanese Athletics, and although the result would appear to be a foregone conclusion in favor of the J. A. Cs., some interesting ball will be seen before the finish comes. Giltson will probably pitch for the Marines, and if in any kind of form he should do well. He is certain to do as well as Hines did last Sunday, at any rate.

The second game will be between the Chinese Athletics and the Portuguese team, and all the fans are looking forward to the struggle. The C. A. Cs. played good ball last Sunday, and it is thought that they may be able to hold the new P. A. C. nine safe. The fans of the Portuguese team, however, feel that they are able to hand the Chinese a package, and as Freitas will pitch instead of Deponte, the good thing may come about. Teves will be changed from second to short, and he should do better in the latter position.

## INTERESTING GAMES IN MILITARY LEAGUE BALL

Original Barry's Beauts to Play  
Marines Tomorrow—Shafter and  
N. G. H. Will Fight It Out.

Tomorrow afternoon the military league will continue its series, and at the league grounds two games will be played between the service men. The N. G. H. nine will go up against the Fort Shafter, and a good game should eventuate. The Guards are determined to win on Saturday, and show what they can do on the diamond. The Shafter's are feeling strong enough nowadays to tackle Mike Flishe's All-Star nine if the combination were here now. However, the Guards will give them some horsehair-hunting tomorrow, and the result may surprise the infantry.

The second game will be put up by the Marines and the original Barry's Beauts, and in it the Hospital Co. will have a chance to show what they can really do on the diamond. It is only on Saturdays that Barry can get the real Beaut team together, as on Sundays the players are engaged with other clubs.

On Sunday the Fifth Cavalry and Fort Ruger teams will meet, and the horsemen think they can hand the gunners a package that will keep them quiet for a week or more. That may be so, but the boys from Diamond Head are improving every day, and the Fighting Fifth representatives may be a trifle astonished before the game is paid.

## GRAMMAR SCHOOL BALL GAMES START TODAY

One Game at Punahou and Another  
at Aala Park—No Admission  
Charge.

This afternoon the grammar school baseball series will start up, and two games will be played. At the Punahou grounds the Preps will tackle the Central Grammar boys, and a good contest is expected to take place. There will be no charge for admission, and everyone is invited to attend and give the series a good start in the rooting line.

Another game will be played at Aala Park between the St. Louis and Kaahumanu boys, and a start will be made at 3 o'clock. The grammar school series will bring into notice a number of lads who are showing promise of developing into good players.

Central Grammar School won out in last year's championship, and it will be interesting to see how they shape against the Punahou Preps this afternoon.

### DETECTIVE AT PARK.

The management of the Park Theater has secured at great expense a film, "The Great Detective," so the local officers may get a line on how to find Grace. It is a good picture and should be of interest as it shows the gum shoe man in harness. The vaudeville at the Park continues first-class while Sonny Cunha's orchestra is satisfying. Business at this theater keeps up well.

The time may be coming when people will walk up to the ticket windows and ask for upper berths.—Chicago Record-Herald.
